Manly Vale PS Kindergarten 2021

Dear Parents and Carers,

You have registered your child to be a part of our Orientation Program in preparation for the 2021 school year. This letter outlines the details and organisation for the first session. If you have not yet lodged your enrolment form, it would be appreciated if you could provide this by 18th September, prior to the start of the Orientation program.

Conversely, should you no longer require a place for your child in 2021 at Manly Vale Public School, please notify the school **immediately** as planning for staff is currently taking place.

All Public Schools in NSW received advice last week that Kindergarten Orientation and transition school activities remain on hold until further notice. This means our planned program is unable to go ahead.

Our first session scheduled for Monday 21 September at 9.30-11am will now run as a live Q and A forum through a zoom link. This session will be tailored to answering your questions about starting school, learning more about our school and any other transition questions you may have.

For this session to be meaningful and relevant, we ask if you could please submit any questions you may have by Monday 14 September. Please follow the link below to a google form.

For the other two scheduled sessions on Monday 19 and 26 October we are still planning how these sessions will look. Once we have finalised them, we will communicate this to you via email.
